

COVID-19 MOSCOW UPDATE

08/06/2020

Tomorrow the QR Code regime will cease to apply along with the walking regime.

All citizens of Moscow, including elderly people over 65 years old, people with chronic diseases will be allowed to walk without any restrictions.

All social cards for public transport (карта москвича и льготная карта) will start working as before.

Also from 9 June 2020 restrictions will be mitigated in relation to the following spheres of social life and organisations:

- Barbershops and beauty salons;
- Photo-studios;
- Vet clinics;
- Car-sharing and Taxi services (without any limitations);
- Public services;
- Employment agencies;
- Audio and video recording studios;
- Science organisations and municipal cemeteries.

In a week (from 16 June 2020) restrictions will be mitigated in relation to the following spheres of social life and organisations:

- Dental clinics (in full force);
- Summer terraces near cafes and restaurants;
- Libraries (provisional entry will be required for visiting);
- Museums, exhibitions, zoos;
- Organisations and Individual entrepreneurs working in various spheres such as real property, leasing of property, marketing, etc;
- Sports events (only 10 % of the capability of stadiums will be allowed to use).

COVID-19 MOSCOW UPDATE

08/06/2020

From 23 June 2020 restrictions will be mitigated in relation to the following spheres of social life and organisations:

- Kindergartens (including private ones);
- Libraries (without restrictions);
- Public infrastructure;
- Sports centers;
- Restaurants, cafes, pubs, eating houses and other types of food service providers;
- River transport companies and social security organisations (in full force).

Further restrictions will be canceled by the additional decrees.
